Dear *For,*

I would like to convey my sincere appreciation for the support of the Schenker Australia to the 2002 Australian Commonwealth Team which competed at the Manchester Games recently. The Team achieved outstanding success, culminating in 207 medals for Australia and our most successful campaign ever.

One of the major reasons for the Team's success was the support of the Schenker Australia in providing freight transport support for the Team to Manchester. On behalf of the ACGA I would like to compliment you on the outstanding assistance provided to the Team by your staff particularly Paul, Christiane, and Alan in Sydney, and also, Charlie in Manchester. They are very capable as well as being very good to work with.

We hope to find a time in the next month or so to personally thank you for the support of the Schenker Australia, and to present you with a gift from the Team.

Fielding a team of this calibre would be a very difficult task without the support of companies such as Schenker Australia and certainly I hope that there will be a continued association with our Commonwealth Games teams in the future.

Kind regards

Perry Crosswhite
