Dear Schenker Team,

The FIFA Women's World Cup China 2007 was a tremendous success and an unique experience – for many fans and visitors, for FIFA, the Participating Member Associations, the sponsors and suppliers and of course also for the Local Organizing Committee.

As the Local Organizing Committee for the FIFA Women's World Cup China 2007, we very much wish to express our thanks to those concerned for the superb co-operation. The appointment of Schenker China as the Team Equipment and Excess Luggage Logistics Provider for FIFA Women's World Cup China 2007 as well as the provision of the Liaison Manager Ms.Sisi Luo and all Schenker supervisors in each venue was undoubtedly a very successful support for the whole operation of the FIFA Women's World Cup.

We herewith thank **SCHENKERglobalsportsevents** for the great co-operation and herewith strongly believe Schenker will be successful and will be a good partner for any other sports event in the future.

With kind regards

Yours sincerely
